

Welcome to Realtors Property Resource®

Congratulations on becoming a REALTOR®! One of the most exciting benefits included in your NAR membership is *exclusive access* to Realtors Property Resource®—NAR’s national property database with over 166 million properties, giving you the most comprehensive reports that are sure to inform and impress even the most demanding clients. Get started at www.narrpr.com.

All the data you need, all in one place.

RPR provides REALTORS® with unmatched access to neighborhood and property information, school reports, census, demographics, tax data, foreclosures, average income, mapping, distressed data, flood zones, historic data, and so much more, making RPR the ultimate “go-to” resource.

This is your tool.

Covered by your NAR member dues, RPR provides cutting edge features like our Comp Analysis and Property Investment Analysis tool. That way, when your clients come to you with every single question, you’ll have every single answer.

The best reports in the business!

With RPR reports, your clients will appreciate the insightful information, and you'll appreciate the speed and convenience!
